It's Saturday early morning,
The only sound is my breathing,
As I lay awake not knowing
Where it will be I'm going.

But I know, Time will slow,
At 12:59, I sing lullaby.

And if you want me to sing you a song
I know...
That there's a 12:59 lullaby
Tonight...

I'll see the next hour through.
It falls to the next so soon.
Though my kiss awaits for a tune,
Where have the songs played gone to?

And I know, Time will slow,
At 12:59, I sing lullaby.

And if you want me to sing you a song,
I know...
That there's a 12:59 lullaby,
Tonight...

And if you want me to sing you a song,
I know...
That there's a 12:59 lullaby,
Tonight...
