I was a midnight rider on a cloud of smoke
I could make a woman hang on every single stroke
I was an iron man
I had a master plan
But I was alone

I could hear you breathing
With a sigh of the wind
I remember how your body started trembling
Oh, what a night it's been
And for the state I'm in
I'm still alone

And all the wonders made for the Earth
And all the hearts in all creation
Somehow I always end up alone
(Always end up alone)
Always end up alone

So I play (sha-la) I'll wait (I'll wait)
'Cause you know that love takes time (Livin' love
between the lines)
We came (sha-la) so far (so far)
Just the beat of a lonely heart
And it's mine
And I don't wanna be alone

Well, since I got no message on your answer phone
Since you're busy every minute.
I just stay at home
I make believe you care
I feel you everywhere
But I'm still alone

I'm on a wheel of fortune with a twist of fate
'Cause I know it isn't heaven, is it love or hate
Am I the subject of the pain
Am I the stranger in the rain
I am alone

And is there glory there to behold

Maybe it's my imagination
Another story there to be told

So I play (sha-la) I'll wait (at times)
And I pray it's not too late (tears that you cry)
We came (sha-la) so far (so far)
Just the beat of a lonely heart
And it's mine
And I don't wanna alone

And all the wonders made for the Earth
And all the hearts in all creation
Another story there to be told

So I play (sha-la) I'll wait (I'll wait)
And I pray it's not too late (Livin' love between the lines)
We came (sha-la) so far (so far)
Just the beat of a lonely heart
And it's mine
And I don't wanna alone

Gone, but not out of sight
I'm caught in the rain and there's no one home
Face the heat of the night
The one that you love's got a heart that's made of
stone

Shine and search for the light
And sooner or later you'll be cruising on your ocean

And clean out of sight
I'm caught in the rain and there's no one home
