When I was just a little boy , when I didn't know

My daddy put me n his knee and showed me the way to  
go

He said " a woman will do her best to make a fool out  
of you

So be a man and stand the test and see what you can  
do " .

I'm glad I am born a man

I'm glad I am born a man

If you got what it takes my boy

You can always choose

Work it out before it's too late my boy

Make sure you never lose

I'm glad I am born a man

I'm glad I am born a man

Born a man , etc... ad lib during break

Ev'ry woman wants her man to live and learn on her  
land

Where I go , baby you go

Arrangement , man and wife

I'm glad I am born a man

I'm glad I am born a man

Born a man , etc ... ad lib and fade out
