I hear you calling me 'dearest' too .  
My dearest, I'm nearest, then I've ever been before  
to have you calling me 'dearest' once more.  
My dearest, this picture, my own memory.  
Wishing this picture was reality.

Where do I go from here? The Lord took you away.  
And if you could see my today, I will remember you .  
I will remember you  
My dearest, sincerest, there's no one but you and  
here in my heart you're my dearest too.

Where do I go from here? The Lord took you away.  
And if you could see me today, I will remember you.  
I will remember you .  
My dearest, sincerest, there's no one but you and  
here in my heart you're my dearest too.
