This is my dedication
This is my dedication

I'm not a saint but stand accused
You're with someone who thinks love's the same as
being used
Now suspicious minds may say, it's over, over
Whether I live or die, you are my savior, you're my
savior

It's my deja vu, sweet deja vu
Through the feast or famine I'll be with you
Sheltering arms, reach out to you

This is my dedication
This is my dedication
This is my dedication
This is my dedication

The silent nights, I cry your name
You're with someone who says, they can get you
through your pain
These golden years keep on returning, it's hurting
Precious and few, you're my savior, you're my savior

It's my deja vu, sweet deja vu
Through the feast or famine I'll be with you
Sheltering arms reach out to you

This is my dedication
This is my dedication
This is my dedication

La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la
Cherish what they've lost

La, la, la, la, la, la
La, la, la, la, la, la
La, la, la, la, la, la

When often it's too late

La, la, la, la, la, la

La, la, la, la, la, la

La, la, la, la, la, la

It's my deja vu

(My deja vu)

Sweet deja vu

(Keep coming through)

Through the feast or famine, I'll be with you

(All that is true)

Sheltering arms, reach out to you

(Ooh)

Oh, baby

This is my dedication

This is my dedication

This is my dedication

This is my dedication
