I don't need anybody . I don't need anyone.  
Take it nice and easy mama , chicken on the run and I  
don't care.  
I'd show my body anywhere.  
Ain't no big city winner's gonna pass my buck  
anywhere.  
Ain't no four leaf clover's gonna settle my luck and I  
don't care.

Go down to the courthouse and I've been on display.  
Don't you think that I don't know  
it ain't been a perfect day , but I don't care.  
I'd sell my body anywhere.  
In the name of creation , I can't find an explanation  
anywhere.  
Ain't no easy rider gonna settle my luck and I don't  
care

Down , down the road , up the road  
Down , down the road , up the road

Been rejuvenated to the highest degree.  
Ain't no words describing what this feeling's done to  
me and I don't care.  
I'd show my feelings anywhere.  
Ain't no heavy Mister Leather's gonna paddle my butt  
anywhere  
Ain't no four leaf clover's gonna settle my luck and I  
don't care.

Down , down the road , up the road  
Down , down the road , up the road

(break)

Down, down the road , up the road (sing 5 times)
