Elisa

Bee Gees

All that I need is just a piece of paper

Say a few lines, make up my mind

so she can read it later, when I'm gone

Elisa, goodbye , Elisa

All that I need is just a quiet corner

Bring to the light , things I must write

Got to get it over with, choose

Elisa , goodbye, Elisa

The song that I sing

The times I've tried to hide it

I'm sorry to say, I'm going away

That's what I've decided on

I've tried

Elisa , goodbye, Elisa

Goodbye Elisa

Elisa goodbye

Elisa goodbye

Elisa, Elisa
