"Glass House"

Glass house, that once was mine , the sun will shine in
on me

You, change your mind, you weren't the kind to live on
me

I remember yesterday , turn my tears to laughter

Then you left and like a stray, I came running after

(break)

I remember you at night, palm trees softly swaying

I remember all the words you were softly saying

Glass house upon the hill so big and still, the shady
lane

It's ours , my love , until the day we say auf
wiedersehen
