Chorus:

(Grease is the word, is the word that you heard  
It's got a groove, it's got a meaning)

We solve our problems and We see the light  
We got a lovin' thing, we've got to feed it right  
There is a danger we can make it so far  
We start believin' now that we can be who we are -  
grease is the word

They think our love is just a growin' pain  
Why don't they understand? It's just a cry in shame  
Their lips are lyin', only real is real  
We stop believin' now, that we can be who we feel -  
grease is the word

Chorus:

(Grease is the word, is the word that you heard)  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling

We take the pressure and we throw away  
conventionality, belongs to yesterday  
There is a chance that we can make it so far  
We start believin' now that we can be who we are -  
grease is the word

chorus

(Grease is the word, is the word that you heard)  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling

chorus (Repeat)

(Grease is the word, is the word that you heard)  
It's got a groove, it's got a meaning  
Grease is the time, is the place, is the motion  
Grease is the way we are feeling

(Grease is the word, is the word, is the word...)
