Shadows falling , baby , we stand alone
Out on the street anybody you meet got a heartache of
their own
Make it a crime to be lonely or sad
You got a reason for livin'
You battle on with the love you're livin' on
You gotta be mine
We take it away
It's gotta be night and say
Just a matter of time

And we got nothing to be guilty of
Our love will climb any mountain near or far , we are
And we never let it end
We are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
Don't wanna hear your goodbye

Pulse's racing , darling
How grand we are
Little by little we meet in the middle
There's danger in the dark
Make it a crime to be out in the cold
You got a reason for livin'
You battle on with the love you're buildin' on
You gotta be mine
We take it away
It's gotta be night and day
Just a matter of time

And we got nothing to be guilty of
Our love will climb any mountain near or far , we are
And we never let it end
We are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
Don't wanna hear your goodbye
Don't wanna hear your

And we got nothing to be guilty of
Our love will climb any mountain near or far , we are
And we never let it end
We are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
Don't wanna hear your goodbye
Don't wanna hear your

And we got nothing to be guilty of (fade)
