"I Am The World"

I'm the sun , I'm the falling rain
I'm the kind of man you can't explain

True love is one thing I've been dreaming of
I give my love to you . And when I do
you are to me, the very deepest part of me

I am the world
I am the sky
I am the sea
I'm anything that you want me to be

When you hurt me , then I become the night time
The shadows in my eyes don't make it good for
me to see the way I should

I am the world
I am the sky
I am the sea
I'm anything that you want me to be

I'm the sun , I'm the falling rain
I'm the kind of man that you can't explain

I am the world
I am the world
