You get your pleasures out of hurting me , honey
You get your kicks out of watching me cry
You play around an awful lot to hurt me , honey
Why do you laugh when there are tears in my eyes

I don't think it's funny , honey
My skies are not so sunny
Why don't you make up your mind
Let me put my arms around you
Make rainbows all around you
But I don't know if you are mine

If I was yours and you were mine , my little honey
We could be happy till the very day I die
But all you ever want to do is hurt me , honey
Why do you laugh when there are tears in my eyes

I don't think it's funny , honey
My skies are not so sunny
Why don't you make up your mind
Let me put my arms around you
Make rainbows all around you
But I don't know if you are mine

(break)

I don't think it's funny , honey
My skies are not so sunny
Why don't you make up your mind
Let me put my arms around you
Make rainbows all around you
But I don't know if you are mine

But I don't know if you are mine
But I don't know if you are mine
