From the highest tower, I will call you home  
It's the same old story, love will find it's own

You come to me, conspiracy of the night  
The heart that you want, just happens to be mine  
Thieves in the dark, you oughtta be locked in chains  
But you wind up on my side, and what will be will be  
That you wear a disguise, the epitome of deceit  
The face of a friend, invisible on the street  
If you're battling to be mine, I'm victorious in defeat  
And I surrender, I surrender, I surrender

Anybody want me, anybody know my name  
Do it in a lifetime, you be dust and the soul survives  
Even up the score

From the highest tower, I will call you home  
It's the same old story, love will find it's own  
And I surrender, take me for all time  
Love that lasts forever, and I surrender

We are elite, prisoners of the night  
We fight to the finish and savor the delight  
It's your body that got me beat and I'm crumbling at  
your feet  
And I surrender, I surrender, I surrender (I surrender)

I will walk through fire, keep you safe and sound (Oh  
no, oh no)  
In the final hour, turn my life around, ohhh  
And I surrender, take me for all time

You're the air that I breathe, ooh ohh ohh ohh

I will walk through fire, keep you safe and sound  
In the final hour, turn my life around, ooh ohh ohh ohh

This is my life story (story), I've been lost and found  
(Oh no, oh no)  
In the final hour (this is the final hour), turn my life  
around (Oh no, ohh)

And I surrender, I surrender, ohh ohh ohh, I surrender,  
ooh ohh

Take me for all time, I surrender, I surrender, ohh ohh  
ohh, I surrender, ohh  
Love as warm as wine, I surrender, I surrender, ohh  
ohh ohh, I surrender, ohh

Take me for all time, I surrender, ohh ohh ohh, I  
surrender  
Love as warm as wine, I surrender, ohh ohh ohh, I  
surrender
