Is this your voice I heard
Speakin' my name
I hang on every word
Each letter that I write
Every day, every night
But I just can't live and learn

Talking to myself and believin' I could live without you
Livin' on the lies and believin' that Love would stay
Listen to me please and I'm beggin' on My knees
before you

But you don't show the way
No you don't show the way

Chorus

You may change your world and someday
He may break your heart
And you deserve no better
If you love him I will step aside
I offer this to you
So leave me as I love you still
And if he don't keep you warm
You know I will
You know I will

So this is who you are
And the rest of my life I dedicate to you
Oooh, And I know that love can't wait
There's a moon and a sun
And a dream that sees me through

Ooooh

A little bit of change and a little bit of my desire
I was shakin' all over and I didn't know what to say
I'm the man in the middle and the middle man catches
fire
Baby go away, oh baby, go, baby, go away

He became your hero somehow, I became your clown
And you deserve no better, if you love him I will step
aside
I offer this to you
So leave me as I love you still
And if he don't take your heart, he don't take your heart
You know I will

It ain't wise
It ain't smart
You say there's no doubt about it
If you decide
You got somebody else
When I want you to myself
I can't stop
I can't look
I can't say no more about it
But my love will go on, just as long as the river flows

Suddenly someone is crying
Who knows what tomorrow brings, so

You may change your world and someday he may
break your heart
And you deserve no better, if you love him I will step
aside
I offer this to you
So leave me as I love you still..still
And if he don't take your heart, he don't take your
heart, he don't take your heart
You know I will
ooooh, and I will take it anyway

It ain't wise
It ain't smart
You say there's no doubt about it
If you decide
You got somebody else
When I want you to myself
I can't stop
I can't look
I can't say no more about it
But my love will go on just as long as the river flows

It ain't wise
It ain't smart
You say there's no doubt about it
If you decide
You got somebody else
When I want you to myself
I can't stop

I can't look
I can't say no more about it
But my love will go on just as long as the river flows

It ain't wise
It ain't smart
You say there's no doubt about it
If you decide
You got somebody else
When I want you to myself
