If I Only Had My Mind On Something Else
-----The Bee Gees

verse 1:

I could be king of kings ; wear a crown and all the things
I'd want I'd never need.
I'd be an ace in an aeroplane and every year I'd fly to Spain.
If I could get the nerve to plant the seed.

chorus:

Oh, help me how to say goodbye.
I see her face in myself.
Why, tell me why I made her cry
If I only had my mind on something else.

verse 2:

Captain of the submarine beneath the icebergs never seen.
A hero with a medal for ev'ryday.
Find me fame, reach the top.
I'll keep on pushing never stop.
If I could just forget her name

.

chorus:

end:

If I only had my mind on something else.
