So this is who I am  
And this is all I know  
And I must choose to live  
For all that I can give  
The spark that makes the power grow

But I will stand for one dream if I can  
Symbol of my faith in who I am  
But you are my only

And I must follow on the road that lies ahead  
I won't let my heart control my head  
But you are my only

And we don't say goodbye  
We don't say goodbye  
And I know what I've got to be...

Immortality  
I make my journey through eternity  
I keep the memory of you and me  
Inside

Fulfill your destiny  
It's there within the child  
My storm will never end  
My fate is on the wind  
The King of Hearts  
The Joker's wild

We don't say goodbye  
We don't say goodbye  
I'll make them all remember me

Cause I have found the dream that must come true  
Every ounce of me must see it through  
But you are my only

I'm sorry I don't have the role for love to play  
Hand over my heart I'll find my way  
I will make them give to me...

Immortality  
There is a vision and a fire in me  
I keep the memory of you and me  
Inside

And we don't say goodbye  
We don't say goodbye

In all my love for you  
And what else we may do

We don't say goodbye...
