In the morning
when the moon is at its rest,
You will see me at the time I love the best
Watching rainbows play on sunlight;
Pools of water iced from cold night, in the morning.
tis the morning of my life.

In the daytime I will meet you as before.
You will find me waiting by the ocean floor,
Building castles in the shifting sands
In a world that no one understands,
In the morning.
tis the morning of my life,

In the morning of my life the
Minutes take so long to drift away
Please be patient with your life
Its only morning and youre still to live your day

In the evning I will fly you to the moon
To the top right hand corner of
The ceiling in my room
Where wll stay until the sun shines
Another day to swing on clothes lines
May I be yawning
It is the morning of my life
It is the morning of my life
In the morning
In the morning
In the morning
