Burning embers.
I still remember all of those little things.
But I can't feel it so much 'cause I am so out of touch
with my heart and it won't sing.
Rusty rainbows.
That's how the pain goes, turning me inside out.
Well, I come home at night and you are out of my sight.
Yes. I'm dying and there ain't no doubt.
Well, I'm dying and there's no way out.

Well I try try try try try....
Mr. Natural (come on baby)
When I walk in the rain you won't know that I'm crying.
A smile on my face and I'm trying.
I'm trying to understand that a love that is lost can
never be found again.
And you can see me dance, I look like a happy man.

Just when I think I'm getting it over, an old friend I
should see.
He said he knew you well, and baby I could tell.
You know he knew you more than me.
I went home laughing and inside I'm crying.
We had a special thing.
You know I loved you so much, but girl I'm so out of
touch
with my heart and it won't sing.
You know my heart just won't sing.

Well I try try try try try.....
Mr. Natural (come on baby)
When I walk in the rain you won't know that I'm crying.
A smile on my face and I'm trying.
I'm trying to understand that a love that is lost can
never be found again.
And you can see me dance, I look like a happy man.

Still I try try try try try.....
Mr. Natural (come on baby)
Well I try try try try try
Mr. Natural (come on baby)

(repeat verse and fade out)
