I'm a mine of information  
I'm a stranger to the cause  
I been watchin' you watchin' me babe  
But the words I had are lost  
Just wanna be everything you need babe  
And I'm begging you to say in my heart  
A room with a view  
There's only a fool there

I will never give up , never give up , never give up  
I will never give up , never give up , never give up  
I will follow you home  
How can you turn me away

Did you ever get hungry or thirsty  
With a dream to satisfy  
You don't wanna be safe from being lonely  
But you're throat is kinda dry  
Did you ever get senseless or defenseless  
An exception to the rule  
Ain't nobody pushin' you but you're rushin' in  
And I'm beggin you to stay in my heart  
Whatever it takes to make you belong there

I will never give up , never give up , never give up  
I will never give up , never give up , never give up  
Love knows no other way  
Being together and hearing you say you'll be mine

You're my world  
And I'll be forever yours

Did you ever get hungry or thirsty  
With a dream to satisfy  
You don't wanna be safe from bein' lonely  
But you're throat is kinda dry  
Did you ever get senseless or defenseless  
An exception to the rule  
Ain't nobody pushin you but you're rushin' in  
And I'm beggin' you to stay in my heart  
Whatever it takes to make you belong there

I will never give up , never give up , never give up  
I will never give up , never give up , never give up  
I will follow you home  
How can you turn me away
