Song Title: Shadow Dancing
Artist(Band): Andy Gibb

You got me looking at that heaven in your eyes
I was chasing your direction
I was telling you no lies
And I was loving you
When the words are said ,baby , I lose my head
And in a world of people , there's only you and I
There ain't nothing come between us in the end
How can I hold you when you ain't even mine
Only you can see me through
I leave it up to you

Do it light , taking me through the night
Shadow dancing , baby you do it right
Give me more , drag me across the floor
Shadow dancing , all this and nothing more

All that I need is just one moment in your arms
I was chasing your affection
I was doing you no harm
And I was loving you
Make it shine, make it rain , baby I know my way
I need that sweet sensation of living in your love
I can't breath when you're away , it pulls me down
You are the question and the answer am I
Only you can see me through
I leave it up to you

Do it light, taking me through the night
Shadow dancing , baby you do it right
Give me more, drag me across the floor
Shadow dancing , all this and nothing more

And in this world of people there's only you and I
There ain't nothing come between us in the end
Ah, can I hold you when you ain't even mine
Only you can see me through
I leave it up to you

Do it light , taking me through the night
Shadow dancing , baby you do it right
Give me more, drag me across the floor
Shadow dancing , all this and nothing more

(repeat last verse 2 more times and fade out)
