### Spirits Having Flown

I never fell in love so easily.  
Where the four winds blow I carry on.  
I'd like to take you where my spirit flies:  
Through the empty skies. We go alone,  
Never before having flown.

Faster than lightning is this heart of mine.  
In the face of time I carry on.  
I'd like to take you where my rainbow ends.  
Be my lover friend. We go alone,  
Never before having flown.

[Chorus]

I am your hurricane, your fire in the sun.  
How long must I live in the air?  
You are my paradise, my angel on the run.  
How long must I wait?  
It's the dawn of the feeling that starts  
From the moment you're there.

[Bridge]

You'll never know what you have done for me.  
You've broken all those rules I live upon.  
And I'd like to take you to my Shangri-La,  
Neither here nor far away from home,  
Never before having flown.

[Chorus]

I am your hurricane, your fire in the sun.  
How long must I live in the air?  
You are my paradise, my angel on the run.  
How long must I wait?  
It's the dawn of the feeling that starts  
From the moment you're there.  
I'd like to take you where my spirit flies,  
Through the empty skies we go alone,  
Never before having flown.
