"Three Kisses Of Love"

Kiss me once , oh yeah, baby
Kiss me twice , oh yeah, crazy
Kiss me three times
The three kisses of love , oh yeah

Morning , noon, and at night
Never gonna let you out of sight
Kiss me three times
The three kisses of love

Tell me that you really care
Run your fingers through me hair
Kiss me once
Kiss me twice
And I'm in paradise

Kiss me once ,oh yeah, baby
Kiss me twice, oh yeah , crazy
Kiss me three times
The three kisses of love , oh yeah

Tell me that you really care
Run your fingers through me hair
Kiss me once
Kiss me twice
And I'm in paradise

Kiss me once ,oh yeah, baby
Kiss me twice , oh yeah, crazy
Kiss me three times
The three kisses of love
The three kisses of love
