Wedding Day
(B, R & M Gibb)

We both acknowledge what we came here for
We take each other and walk through the open door
From the first time that I saw you
To the way you look tonight
I was shaken by your spirit
I was blinded by your light

And the world that I used to see is gone without a trace
Replaced by your eyes and the smile upon your face
And I will not turn away
'Cause you might disappear
I was haunted by your heart
And I felt that you were here

And funny when the time is right
When lightning strikes
You're not alone
Baby, I will pray for you my whole life through
This day

We'll be together
Husband and wife
Now and forever
The rest of our lives
Well, take me to Heaven
Take me tonight
There is nothing words can say
On this our wedding day

Oh, now is the hour, now is the sowing of the seed
I will take tomorrow
I will lay it at your feet
And the two of us escape from the sadness of the
world
From the thunder and the darkness
From the hunger and the hurt

You know I will remember well the mission bell

That rings your name
And baby there could never be
A memory like you

We'll be together
Husband and wife
Now and forever
Lovers for life
Well, take me to Heaven
Take me tonight
There is nothing words can say
On this our wedding day

This is my pledge to you?
I will follow through to the end
And we will find another plane
We'll be home again
And tonight I'm going to find true love, true love

We'll be together
Husband and wife
Now and forever
Lovers for life
Well, take me to Heaven
Take me tonight
There is nothing words can say
On this our wedding day
This our wedding day
