Someone keeps on telling me how much he loves me
so
Writes it on the wall outside so I will always know
Who's been writing on the wall again
Who's been writing on the wall again
Who's been writing on the wall again
Lori, I love you , Lori, I love you

Ev'ry evening I come home , it's waiting there for me
Three little words, one little voice , someone I can't see
Who's been writing on the wall again
Who's been writing on the wall again
Who's been writing on the wall again
Lori , I love you , Lori , I love you

Is he tall or is he small
I wonder what his game is
I wish he's write it on the wall
and tell me what his name is

I don't know if his hair is blonde or if his eyes are blue
But I know that when I meet him ,I'm gonna love him too
Who's been writing on the wall again
Who's been writing on the wall again
Who's been writing on the wall again
Lori , I love you , Lori , I love you

Is he tall or is he small
I wonder what his game is
I wish he'd write it on the wall
And tell me what his name is

I don't know if his hair is blonde or if his eyes are blue
But I know that when meet him , I'm gonna love him too
Who's been writing on the wall again
Who's been writing on the wall again
Who's been writing on the wall again
Lori , I love you , Lori , I love you

Who's been writing on the wall again
Who's been writing on the wall again (fade)
