Running like the Devils chasing you
You run so far and got so far
Slow, Then whittle down
And pace yourself for the heart breaker

Two days, To Much
Two years ago
You had me back now take it slow
This is to much to quick
Details got to much to remember so

Give it all to
Carrie me off to
Stop this place

This is a ghost town
Get out, Get out
Before you get to lost (x2)

Lead me there and take my crown
Why quiet nights? They bring us down
We can live without these problems
Least it's tem-tem-tem-temporary

Throw in the river
Leave me to drown
This is our place now
Our tem-tem-temporary solution so

Give it all to
Carrie me off to
Stop this place

This is a ghost town
Get out, Get out
Before you get to lost (x4)

Get out, Get out
Before you get to lost

This is a ghost town

Get out, Get out
Before you get to lost
