I cried for you, I cried for you  
I cried for two, I lied for you

Saved by the bell on your own carousel  
Now who can tell, if you'll love that man as well  
Now I'll walk down our great lane

I died for you, I died for two  
I'll live for you, I'll give to you

Saved by the bell on your own carousel  
Now who can tell, if you'll love that man as well  
Now I'll walk down our great lane  
Now I'll walk down our great lane  
Now I'll walk down our great lane
