I was gently raised
Fussed over r in school
Fed and housed and entertained
Wanting to be cool
Summers in the grass
Winters warm and slow
Until the one thing on my mind was to just
Get up and go

We're the undefeated
We got what they want
We're so bored and spoiled
Life is just a bag of pot
We're the undefeated
TV in the shade
Girls at all our parties
We have really got it made

There's a real mean world outside
Where many lives are lost
But struggle builds character
And we are growing soft
I don't want to sit and watch no TV show
I want to roam and be challenged
I want to grow and grow

We're the undefeated
We got what they want
We're so fucking spoiled
Life is just a bag of pot
We're the undefeated
TV in the shade
Girls at all our parties
We have really got it made
What have we made?
A giant jail
A bunch of walls
That's all that we've made
Oh, my

We're the undefeated we got what they want

We're so bored and spoiled life is just a bag of pot
We're the undefeated we got what they want
We're so bored and spoiled life is just a bag of pot

We're the undefeated
Always undefeated
We're the undefeated
We're the undefeated,
Now
