"Suffocate"

Talk to me.
Can you listen to me, now.
Do you understand ?
Can you identify ?
But it's as if you seem,
To make a small effort.
But you bend,
You're bending my mind.
And you try.
And you try.
I can see you try to,
Suffocate,
And smother me.
Covered so I can't breathe.

[We]
We collapse, [fall]
Our weekend hands, [down]
Fall together, at once abandoned. [We]
They'll force you down, [fall]
And strap you in. [down]
Now we agree and understand.

Speak slowly.
You gotta get it all out, now.
What are you saying ?
Just remember we will always be here.
Just in case you have been waiting.
Waiting,
To show us something,
Or give us some sign.
As if you're gonna,

Suffocate,
A smothering.
Covered so you can't breathe.

[We]
We collapse, [fall]
Our weekend hands, [down]
Fall together, at once abandoned. [We]

They'll force you down, [fall]
And strap you in. [down]
Now we agree and understand.

Gently lure your submission.
All the while the suspicion grows.
So be sick of listening,
Senile, old, and staggering. Naive youth.
Pick us up when we fall down...

[We]
We collapse, [fall]
Our weekend hands, [down]
Fall together, at once abandoned. [We]
They'll force you down, [fall]
And strap you in. [down]
Now we agree and understand.

[We]
When we collapse. [fall]
Our weekend hands, [down]
Fall together, at once abandoned. [We]
They'll force you down, [fall]
And strap you in. [down]
Now we agree and understand.
Now we agree and understand.
