There's Another Kind Of Living
And We're Getting What We're Giving
Can't You See There's Lovin' In The Air
Strangers In Paradise
Tenderness In Your Eyes
Angels Of Darkness Take Care
Get Me Rockin' Get Me Rarin'
Let Me Feel That Special Feeling
Of Loving Makes Our Hearts Beat Strong
Baby Touch My Soul And Listen
To That Ever Lasting Song
Then Let Your Feelings Find A Way
It's Ok
On A Summer Night
It's A Dawning Of Forgotten Dreams
And It Seems
Everything Is Right For Romance
You Can Blame It On The Stars Above
When It's Love On A Summer Night
There's A Fire Burning Deep Inside
We'll Let It Happen Tonight

Baby We Can Really Make It
We Can Loose It
Find It
Take It
Can't You See There's Magic All Around?
It's Only You And Me
We Can Fly High And Free
Baby I Won't Let You Down
Tell Me All The Dreams You're Missing
We Will Find Them While We're Kissing
And We'll Make Those Fairy Tales Come True
So Come Closer Baby Blue Eyes
I've Got Lots Of Love For You
Then Let Your Feelings Find A Way
It's Ok
On A Summer Night
It's A Dawning Of Forgotten Dreams
And It Seems
Everything Is Right For Romance
You Can Blame It On The Stars Above
When It's Love On A Summer Night
There's A Fire Burning Deep Inside
We'll Let It Happen Tonight
Then Let Your Feelings Find A Way
It's Ok

On A Summer Night

It's A Dawning Of Forgotten Dreams

And It Seems

Everything Is Right For Romance

You Can Blame It On The Stars Above

When It's Love On A Summer Night

There's A Fire Burning Deep Inside

We'll Let It Happen Tonight

On A Summer Night

On A Summer Night

On A Summer Night
