The words don't rhyme
When I'm away from you I can't let go
And you know, oh you know

It's all the things you do that make life worth while
Like the way you talk and the way you smile
It's all the things you do keep me hanging on
And you know, don't you know

When I'm awya from you well the wine won't flow
The tides don't turn and the wind don't blow
I'm up all through the night
And I can't tell wrong from right

When I'm away from you well the sun don't shine
The mood don't come
The words don't rhyme
When I'm away from you I can't let go
And you know, oh you know

It's all the things you do that make life worth while

Like the way you talk and the way you smile
It's all the things you do keep me hanging on
And you know, don't you know

When I'm away from you
Well it hurts to say
My sense has gone so far away
It happens time and time again
And the circle never ends

When I'm away from you well the sun don't shine
The mood don't come
The words don't rhyme
When I'm away from you I can't let go
And you know, oh you know
It's all the things you do that make life worth while
Like the way you talk and the way you smile
It's all the things you do keep me hanging on
And you know, don't you know

When I'm away from you well the sun don't shine
The mood don't come
The words don't rhyme
When I'm away from you I can't let go
And you know, oh you know...
