Whoa, better tomorrow, tomorrow
I can think of a million ways that life can change
A million reasons why a man could go insane
So mother, tell your children, to keep a smile on their faces
As they journey a long life's way
Better tomorrow, tomorrow, tomorrow,
Better tomorrow, tomorrow, tomorrow
Better days will come one day, when it comes it's here to stay
Better tomorrow, tomorrow, tomorrow

Broken pieces of the man who wants to talk
Broken portraits like a shadow on the wall
Pick up the pieces, pick up the pieces
For the show was never dying till the final song's been played
Better tomorrow, tomorrow, tomorrow
Better tomorrow, tomorrow, tomorrow
Better days will come one day, when it comes it's here to stay
Better tomorrow, tomorrow, tomorrow
Will be beautiful, beautiful, will be beautiful
It will be beautiful, would be beautiful
Better tomorrow, tomorrow, tomorrow
Better tomorrow, tomorrow, tomorrow
Better days will come one day, when it comes it's here to stay
Better tomorrow, tomorrow, tomorrow

I can think of a million ways that life can change
A million reasons why a man could go insane
So mother, tell your children, to keep a smile on their faces
As they journey a long life's way
Better tomorrow, tomorrow, tomorrow,
Better tomorrow, tomorrow, tomorrow
Better days will come one day, when it comes it's here to stay
Better tomorrow, tomorrow, tomorrow
Better tomorrow, tomorrow, tomorrow,
Better days will come one day, when it comes it's here to stay

Better tomorrow, better tomorrow
Will be beautiful
Better tomorrow, better tomorrow
Will be beautiful
Better tomorrow, better tomorrow
Will be beautiful
Better tomorrow, better tomorrow
Will be beautiful.
