You judge a man, by the length of his hair  
You think we are foolish but we aren't  
You took our hopes, and replace them with faith yeah  
With empty promises that makes you care  
You say that there will be freedom yeah  
The freedom to live, to live as you say  
Generation of vipers what they always say  
I know they'll be a price to pay  
For the heavens will rise up against you (it will rise up)  
My father's hand will hear your name  
Hell on earth will be your play ground,  
But a higher calling will bear my name (calling calling)  
A higher calling bear my name  
I lost for love, you deny me my rule  
I live and I breathe and I die like you  
Never had much to give,  
Still you take my respect for granted  
Now you wonder why I say  
That I pay the price, for the things that are free  
Satisfy your need to be better than me  
You say that they'll be justice but you lie to them  
I've seen the seven ways you play (seen the seven ways you play)  
I've seen the seven ways you play (seen the seven ways you play)  
For the heavens will rise up against you (it will rise up)  
My father's hand will hear your name  
Hell on earth will be your play ground,  
But a higher calling will bear my name (calling calling)  
Higher calling bear my name  
Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh  
Oh oh oh oh  
When I feel, there's no where to go  
And my best has nothing to show

There's the almighty showing me the way  
Saying don't give up, its not as hard as they say  
Don't give in, look at what life really means  
Just be strong, there's joy through your sorrow  
But if you do wrong  
The heavens will rise up against you (it will rise up)  
if you do wrong  
My father's hand will hear your name  
If you do wrong  
Hell on earth will be your play ground, (if you do wrong)  
But a higher calling will bear my name (higher calling bear y name)  
A higher calling hear my name
