(Intro)

The sergeant general once  
Cigarette smoking  
Is dangerous  
Dangerous  
Don't you care for your health  
It's dangerous

(Verse 1)

Deep in the mountains far from every where  
Nestle in the valley where the cloud disappear  
Marijuana grows the children with so much care  
Where the cold wind blow and no mare truly knows of  
the  
Wisdom  
All the wisdom  
And the courage that you show

(Chorus)

Marijuana  
Marijuana  
You show your children you truly truly care  
When all is gone and I'm going anywhere yeah  
Marijuana  
Marijuana  
Though some people mek try to fight you down  
You spread love and joy all around yeah

(Verse 2)

Dem chop you up  
Dem break you down  
Dem lighta a fire but the smoke is still around  
Marijuana the smoke is still around  
Some intellects may say  
When you going plan marijuana can lead the way  
Marijuana  
How is there to save the day

(Chorus)

Marijuana  
Marijuana

You show your children you truly truly care  
When all is gone and I'm going anywhere yeah  
Marijuana  
Marijuana  
Though some people mek try to fight you down  
You spread love and joy all around yeah  
All around all around  
Marijuana  
You spread love and joy all around
