Take me high above the mountains  
Let me fly on wings of love  
Longing to taste the dew of a misty morning  
Longing to see all that I knew  
Don't know what you think of me  
Cause my mind is always free  
So why are you taking this from me?  
Cause you alone want to live  
You want to climb the highest mountain  
Wanna swim the deepest sea  
You alone want to live,  
You alone want to live...  
Overbearing is the least I could say  
When you turn and walked away  
And all I'm trying to do is  
Just to make a better way  
So my son don't have to stray  
But you lock away my dreams  
And all hope is gone - it seems  
Why are you taking this from me?  
Cause you alone want to live  
You want to climb the highest mountain  
Wanna swim the deepest sea  
You alone want to live,  
Cause you alone want to live...  
From the depth I rose higher than before  
Always struggling to make it on my own  
Aahh, from the ashes I rise  
Not compromising my pride...  
Take me high above the mountains  
Let me fly on wings of love  
Longing to taste the dew of a misty morning  
Longing to see all that I knew  
And you lock away my dreams

And all hope is gone - it seems  
Why are you taking this from me?  
Cause you alone want to live  
You want to climb the highest mountain  
Wanna swim the deepest sea  
You alone want to live,  
You alone, you alone want to live  
Cause you alone want to live  
You alone...  
Cause you alone want to live  
You alone, you alone want to live  
You alone want to live,  
You alone...
