"Ev'ry Time We Say Goodbye"

Everytime we say goodbye I die a little
Everytime we say goodbye I wonder why a little
Why the gods above me who must be in the know
Think so little of me, they allow you to go

And when you're near there's such an air of Spring
about it
I can hear a lark somewhere begin to sing about it
There's no love song finer but how strange the change
from major to
minor
Everytime we say goodbye

Why the gods above me who must be in the know
Think so little of me, they allow you to go
And when you're near there's such an air of Spring
about it
I can hear a lark somewhere begin to sing about it

There's no love song finer but how strange the change
from major to
minor
Everytime we say goodbye, everytime we say goodbye
Everytime we say goodbye, everytime we say
goodbye.....
