Falling through the floor  
With the friend I had before  
Grabbing at straws  
So the holes don't slow me down

Coming up next  
The lizard and the text  
Showing me the ropes  
Don't be giving up your hopes

Trickle downstream  
With the underwater steam  
Fish on the side  
He's a looking for a dream

She's the one for me  
She's the one for me  
She's the one for me  
She's the one for me \_\_\_\_\_

Falling through the floor  
With the friend I had before  
Grabbing at straws  
So the holes don't slow me down

Coming up next  
The lizard and the text  
Showing me the ropes  
Don't be giving up your hopes

Trickle downstream  
With the underwater steam  
Fish on the side  
He's a looking for a dream

Give up the try  
For the everlasting life  
Never grew upside  
So I keep it all inside

Fat girl ticklelish

Crazy miss stimulus  
Falling on your face with your stupid line brace  
Saying, pop goes the weasel as he paints another easel

Grab a piece of pie, she's your chicken in your eye  
Push out the boat 'fore the river runs dry  
Drinking in the watersun, pucking on the egg fry  
With my super line  
With my super line

I never threw before so I never found the reason  
Walk, fall, doesn't stall, blowing in the breezin'  
Holding on the side, just a painting for the season  
Walk, fall, doesn't stall, blowing in the breezin'

She's the one for me (repeat)
