Is anybody captain of this ship?
A steady hand is needed, I'm not in

Here we go now

Captain Plastic -
The trouble with reality
Is it's true
Drastic Drastic -
You took me from behind
Spastic Plastic -
A struggle with reality
So who are you?
Captain Plastic -
You're just a different kind

And I blew my money
And you blew my mind
But they were inspirational times

And I blew my money
And you blew my mind
But they were inspirational times

Captain Plastic -
A struggle with reality
So who are you?
Drastic Drastic -
You're just a different kind
Spastic Plastic -
A struggle with reality
So who are you?
Captain Plastic -
You're just a different kind

Captain
Plastic
Strapped in
It's Drastic
Spiral
'Tastic
Is Captain

Strapped in?

And I blew my money
And you blew my mind
But they were inspirational times

And I blew my money
And you blew my mind
But they were inspirational times

Here we go now

Captain Plastic -
The trouble with reality
Is it's true
Drastic Drastic -
You took me from behind
Spastic Plastic -
A struggle with reality
So who are you?
Captain Plastic
Captain Plastic
