Ten to doomsday, moving fast
Heads up, mind that blast
No time to sleep, it's DEFCON one

Can't get no sleep as the ticking ticks on
No time for fear, it's DEFCON
No time to eat but get me some

Big Mac, fries to go
Big Mac, fries to go
Get me Big Mac, fries to go
Get me Big Mac, get me fries to go

Watchman
We love you all
Hup, hup

Heads up
Ground floor coming up
How sick is Dick?
How gone is Ron?
How sick is Dick?
How gone is Ron?

What's the time?
It's DEFCON one
Say, what's the time?
Just get me some

Big Mac, fries to go
Big Mac, fries to go
Get me Big Mac, fries to go
Get me Big Mac, get me fries to go

Watchman
We love you all
Hup, hup

Goodbye city, hello moon
Hands up, vote Dr. Doom
You know it makes sense

It's DEFCON one, hey
What's occurring? What goes on?
It's the only choice
So get me some

Big Mac, fries to go
Big Mac, fries to go
Get me Big Mac, fries to go
Get me Big Mac, get me fries to go

Watchman
We love you all
Hup, hup
