Listen to the victim, abused by the system  
The basis is racist, you know that we must face this  
It can't happen here, oh yeah?  
Take a look around at the cities and the towns

See them hunting, creeping, sneaking  
Breeding fear and loathing with the lies they're  
speaking  
The knife, the gun, broken bottle, petrol bomb  
There is no future when the past soon come

And when they come to ethnically cleanse me  
Will you speak out? Will you defend me?  
Or laugh through a glass eye as they rape our lives  
Trampled under foot by the rights on the rise

Ich Bin Ein Auslander, Ich Bin Ein Auslander  
Ich Bin Ein Auslander, Ich Bin Ein Auslander

Welcome to a state, where the politics of hate  
Shout loud in the crowd, watch them beat us all down  
There's a rising tide on the rivers of blood  
But if the answer isn't violence, neither is your silence

If they come to ethnically cleanse me  
Will you speak out? Will you defend me?  
Freedom of expression, doesn't make it alright  
Trampled under foot by the rise of the right

Ich Bin Ein Auslander, Ich Bin Ein Auslander  
Ich Bin Ein Auslander, Ich Bin Ein Auslander  
Ich Bin Ein Auslander, Ich Bin Ein Auslander  
Ich Bin Ein Auslander, Ich Bin Ein Auslander
