i still feel the break of dawn
no sleep, she's still glowing
and i free the memory
always within reach
lights out
power shut
digits glow
they count the moments
she knows everything
on the floor
my room
i know
(baby i know)
only
(only this time)
this time
only
(baby i know)
just this
(only this time)
one time

and i breathe
she inhales sea breeze
i'm just breathing sportssocks
battledress on the floor
this is my room
i know
(baby i know)
only
(only this time)
this time
only
(baby i know)
just this
(only this time)
one time
neversleeper

tender strangler
i still feel the break of dawn

no sleep
she's still glowing
and i free the memory
always within reach
fast hands
sleepy hands
my hands
she knows everything
on the floor
this is my room
i know
(baby i know)
only
(only this time)
this time
only
(baby i know)
just this
(only this time)
one time.
