Wise up, wise up

She loves me, she loves me not
She loves me, she loves me not
She loves me, she loves me not
Wise up sucker to what you've got

If we stand here shaking much more
We're gonna come apart, split in half
You're telling me don't want no more
'Cause my head's up my ass I watch my world through
a glass
I'm just a crazy tired shape from your past

You say it's love that you need
But it's war that you've got
That you want to live your life and to have
Not to have not, better wise up and face my lot
She loves me not

Yeah she loves me, she loves me not
She loves me, she loves me not
Yes she loves me, she loves me not
Wise up sucker to what you've got

She loves me, she loves me not
She loves me, she loves me not
She loves me, she loves me not
Wise up sucker to what you've got

I'm freakin' and you couldn't care less
I got the deep down crazies
Trying to get my head round this mess
At the sound of the bell an act you know so well
You give me sixteen different flavors of hell

You say it's love that you need
But it's war that you've got
That you want to live your life and to have
Not to have not, better wise up and face my lot
She loves me not

Yeah she loves me, she loves me not
She loves me, she loves me not
Yes she loves me, she loves me not
Wise up sucker to what you've got

Yeah she loves me, she loves me not
She loves me, she loves me not
Yes she loves me, she loves me not
Wise up sucker to what you've got

Wise up! sucker, see the sights
Taking your ass for a ride
Wise up! Wise up! Wise up!
She loves me not

She loves me, she loves me, she loves me, she
Wise up sucker to what you've got
She loves me, she loves me, she loves me, she
Wise up sucker to what you've got

She loves me, she loves me, she loves me, she
Wise up sucker to what you've got
She loves me, she loves me, she loves me, she
Wise up! Wise up! Wise up sucker to what you've got

She loves me, she loves me not
She loves me, she loves me not
Yes she loves me, she loves me not
Wise up sucker to what you've got
Wise up sucker
