I want some dustup cause Iâ€™m sick of life
I want some dustup cause theyâ€™re harder than mine
Mindsâ€™s closing down now
Eyes whide up now
I want amusement
Cause Iâ€™m a man

Flying through
But Iâ€™m ainâ€™t new
Cause culture media kills

I want some boobs now cause my wifeâ€™s are gone
I want some health now otherwise a gun
Beeing thin now

Beeing fair now
I want to feet me with
Self confidence

Flying through
But Iâ€™m ainâ€™t new
Cause culture media kills
Forget why
I just cry
When jack dies beside rose

Shine
Shine on
My sun
I wanna live now in utopia
Shine
Shine on
My sun
I wanna live now in utopia
