

Porcelain And The Tramps "Fuck Like A Star"

Visit "[Fuck Like A Star](#)" on MotoLyrics.com

Haha,

If there's a fucking problem with the fucking shit in
This fucking song we can fucking edit it out for the
fucking god damned radio.

Fucking god damned cunt ass mother fucking bitch ass
fuck face.

Suck my big fucking black dick and I wanna see that
ass clap, bitch.

She puffs her lips on cigarettes and paces in the lobby
Silhouettes of pure white skin

A super in post-party

She is the string that holds your fate

The one that gets it started

So if you've got the balls to fight then put your mouth
around it

Oooh I know you're out of it

Oooh I know you want it

She fucks like a star

All way to the top

Mess with your head

Make you want it

Fucks like a star

So rated R

You'll do anything

'Cause she fucks like a star, fucks like a star

Anorexic beauty queen with painted eyes so toxic

Centerfold erotic

She's had a gram, a shot, a slam, enough to start a riot

Everybody wants a piece

But only I'm invited

Oooh I know you're out of it

Oooh I know you want it

She fucks like a star

All the way to the top

Mess with your head

Make you want it

Fucks like a star

So rated R
You'll do anything
Because she fucks like a star, fucks like a star

Oooh she make you want it you want it
Oooh you fucking love it you love it
Fucking fuck like a star, star, star
You fucking fuck like a star, star, star
I'll fuck you like a star, superstar
I'm gonna fuck you like a superstar star star star
She fucks like a star
All way to the top
Mess with your head
Make you want it
Fucks like a star
So rated R
You'll do anything
'Cause she fucks like a star, fucks like a star

I'll fuck you like a star, superstar
Fucks like a star
I'll fuck you like a star, superstar
Fucks like a star
I'll fuck you like a star, superstar
Fucks like a star
I'll fuck you like a star, superstar
Fucks like a star
I'm gonna fuck you like a superstar star star star
Fucks like a star
Fucks like a star
I'll fuck you like a star, superstar
I'm gonna fuck you like a superstar star star star
Hahaha, haha
