My pain filled drama queen is always screaming at  
your bed  
Getting ready to buy you out  
'Cause we all know  
What goes around comes around  
You should've known what I was all about  
Do not test me

'Cause I'm the fucking king of the world  
Get on your knees  
I'm the fucking king of the world  
Do as I please

So get up and get out and I'll show you  
What it means for me to control you  
'Cause I'm the fucking king of the world

Keep your head down  
Untill I tell you to speak  
You're not giving me the run around  
When you fall back  
Unto my coffin  
No you should've stayed out of my way  
Do not test me

'Cause I'm the fucking king of the world  
Get on you knees  
I'm the fucking king of the world  
Do as I place

So get up and get out and I'll show you  
What it means for me to control you  
'Cause I'm the fucking king of the world  
Bow to me  
Bow to me at my feet you'll bow to me  
Bow to me  
Bow to me at my feet you'll bow to me  
Bow to me  
Bow to me at my feet you'll bow to me  
Bow to me  
Bow to me at my feet you'll bow to me  
Bow to me

[Scream]

Get on you knees  
'Cause I'm the fucking king of the world  
Do as I please

So get up and get out and I'll show you  
What it means for me to control you

'Cause I'm the fucking king, fucking king of the world  
Do as I please  
I'm the fucking king, fucking king of the world  
Get on you knees

I'm the fucking king, the fucking king of the world,  
yeah  
(Fucking king of the world)

Bow to me  
Bow to me at my feet you'll bow to me  
Bow to me  
Bow to me at my feet you'll bow to me  
Bow to me  
Bow to me at my feet you'll bow to me  
Bow to me  
Bow to me at my feet you'll bow to me
