Ghosts in the park  
Appear just after dark  
Killers, children  
But no-one has a harp  
They look like tourists  
It makes me want to laugh

Under floorboards  
It's hard to fly a kite  
Underwater  
My cigarette won't light  
Standing in the shade  
I'm getting frostbite

Strange as I seem  
I'm getting stranger by the minute  
Look in my dream  
It's getting stranger by the minute

When I'm drowning  
You drag me up to you  
Rings in the water  
My only residue  
But you're just fiction  
And I'm a twisted boy

Strange as I seem  
I'm getting stranger by the minute  
Look in my dream  
It's getting stranger by the minute

Strange as I seem  
I'm getting stranger by the minute  
Look in my dream  
It's getting stranger by the minute

Strange as I seem  
I'm getting stranger by the minute  
Look in my dream  
It's getting stranger by the minute
