"The Blind House"

If you wanna stay
Always here
All these years
The last frontier
It's no concern of theirs
The world outside
Corrupts my child
So trust these eyes

Faith is in your soul
But in these walls
Hormones stall
Dogs will crawl
The vices and the doubt
We resist
All this shit
So kneel submit

Free love
Free love
Feel love in all my sisters
Breathe out
Blind house
You don't need to know their secrets
Believe me

Pray and violate
Abuse your trust
False gods must
Purge their lust
A family that lies
To seal your fate
To take the weight
Of their self-hate

Free love
Free love
Bring love to all my sisters
Breathe out
Blind house
You don't need to know their secrets

Believe me

Breathe out

Blind house

Free love

Feel loved
