

Porcelain And The Tramps "Transparent"

Look at me you creep.
Straight in the eyes.
I won't let you leave.
Over my dead body;
Maybe yours too.
Read between the lines;
& see my middle fingers in disguise.
Ooh; wrote down every lie.
Ooh; there's nothing left to hide.

Pretty perfect girly;
Dressed in black.
Purple highlights in the back.
I see you as you are;
I see you're transparent.
I see you as you are;
I see you're transparent.
Leaning on one hip with a cigarette;
Thinking your ass is as good as it gets.
I see you as you are;
I see you're transparent.
I see you as you are;
I see you're transparent.

I just saw you twitch.
Twitching like a mouse.
Pretending to play dead;
In this kitty's house.
So I'll toy with you.
So try not to be caught.
Ooh; 'cause my teeth are sharp;
& my temper's hot.
Ooh; wrote down every lie.
Ooh; there's nothing left to hide.

Pretty perfect girly;
Dressed in black.
Purple highlights in the back.
I see you as you are;
I see you're transparent.
I see you as you are;
I see you're transparent.

Leaning on one hip with a cigarette;
Thinking your ass is as good as it gets.
I see you as you are;
I see you're transparent.
I see you as you are;
I see you're transparent.
