(Hoo oo~)

(Turn it up, turn it up, turn it up)

I've been in a daze, it seems like days
That I've been waiting for this dream to pass
It goes so fast, it seems nothing lasts
I think I've lost something

Stuck here with these people while you're awake
We crush our bodies in one space
I feel your hot breath on my tongue
I wonder where you've gone

And the ever-turnin', spinnin' wheel
Of people, places, lies
I feel a restless beat
Of the sleepless night to come

I just wanna be numb
(Turn it up, turn it up, turn it up)
I just wanna be numb
(Turn it up, turn it up, turn it up)

(Hoo oo~)

Hopeless, these three years like smoke
In gears, I go from place to place
Just endlessly and half asleep
I go fallin' alone in some endless breach

I don't know where I am
I don't know what I've done
I just go over and over
Again and again and again

I can't sleep at night, I can't breath
But if I drink tonight, I'll get you off my mind

And the ever-present pit I feel
I'm turnin' on some spinnin' wheel

The faces and the scenes I see
And none of it seems real to me
Just the bleary haze of the mornin' still to come

I just wanna be numb
(Turn it up, turn it up, turn it up)

I just wanna be numb
(Turn it up, turn it up, turn it up)
(Hoo oo~)

I just wanna be numb
(Turn it up, turn it up, turn it up)
(Hoo oo~)

I just wanna be numb
(Turn it up, turn it up, turn it up)
(Hoo oo~)

I just wanna be numb
