Be a man John, be a man  
Used to get them Marlboros for dad  
It made me feel grown  
Didn't know the problems he had  
But he was real gone  
When he had the bottle in hand  
He was just dead wrong

Promised that I would never grow up and be him  
But I never grew up at all  
And now I'm womanizing and cheatin', drinkin' heavily  
in the pm  
Havin' myself a monster's ball, just like my pa

My girl lookin' the same way my mom did  
Smeared make up and tears under her eyelids  
Generations of havin' a down ass chick  
But we always end up f\*ckin' up that sh\*t

Pointin' fingers at all of my male figures  
The only thing gettin' bigger is makin' bout six figures  
And everybody just shut up, when I put it on my tab  
Ain't it sad when a visa's the only credit you have, huh

But that's just John and that's how he is  
That's the only way people come into my defense  
But that's just wrong but that's how it is  
And it be helpin' me get away with a lot of sh\*t

A lotta sh\*t, a lotta sh\*t,  
I wish somebody really gave me a whole lotta sh\*t  
But they on the d\*ck, yea they on my d\*ck,  
Now my ego is getting bigger than Moby Dick

They see the videos, they see the hero  
They take a mess and paint a mural  
Edit out the a-hole put in the b-roll  
Render the clips, and you got pure gold

Shoutout to B tho, that's mi amigo,  
Kept me in check when I was actin' like a devo

When I was Steve O, he made me Steve Jobs,  
I'm a CEO, now look at me ma

Now look at me ma, I'm on my grown sh\*t,  
When I mean grown I mean takin' care of my own sh\*t,  
Now look at me pa, this is some grown sh\*t,  
Now what you taught me forget it I flipped the whole  
script

Now look at me girl I'm on grown sh\*t,  
What I'm sayin' I mean it my word is golden,  
Everything I'm sayin' you're probably thinkin' no sh\*t,  
I shoulda known all of this already, but I'm ready now
