God is in my fingers
God is in my head
God is in the trigger
God is in the lead

God is freedom, God is truth
God is power and God is proof
God is fashion, God is fame
God gives meaning, God gives pain

You can be right like me
With God in the hole you're a righteous soul
I got a halo 'round me, I got a halo 'round me

I'm not the same as you
'Cause I've seen the light and I'm gaining in height now
I got a halo 'round me, I got a halo 'round me
I got a halo 'round my head

God is on the cellphone
God is on the net
God is in the warning
God is in the threat

God is freedom, God is truth
For God is power, God is proof
God is fashion, God is fame
God gives meaning, God gives pain

You can be right like me
With God in the hole you're a righteous soul
I got a halo 'round me, I got a halo 'round me

I'm not the same as you
'Cause I've seen the light and I'm gaining in height now
I got a halo 'round me, I got a halo 'round me
('Cause I've got a halo 'round my head)
I got a halo 'round my head

You can be like me
With God in the hole you're a righteous soul
I got a halo 'round me, I got a halo 'round me

I'm not the same as you
'Cause I've seen the light and I'm gaining in height now
I got a halo 'round me, I got a halo 'round me
I got a halo 'round my head

'Cause I've got a halo 'round my head
